

## PHILOSOPHY, GOALS, OBJECTIVES AND COMPREHENSIVE PLANS

### COMPREHENSIVE SAFETY PLAN

The Governing Board recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others.

The school site council at each district school shall develop a comprehensive school safety plan relevant to the needs and resources of that particular school. (Education Code 32281)

The school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site.

Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286)

The Superintendent or designee shall review the comprehensive school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation.

The Superintendent or designee shall ensure that an updated file of all safety-related plans and materials is readily available for inspection by the public. (Education Code 32282)

By October 15 of each year, the Superintendent or designee shall notify the California Department of Education of any schools that have not complied with the requirements of Education Code 32281. (Education Code 32288)
