VISITORS

The Governing Board encourages parents/guardians and interested members of the community to visit the schools and view the educational program.

To ensure minimum interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be first arranged with the teacher and principal or designee. If a conference is desired, an appointment should be set with the teacher during non-instructional time.

No electronic listening or recording device may be used by students or visitors in a classroom without the teacher and principal's permission. (Education Code 51512)

Visitor Registration

To ensure the safety of students and staff and avoid potential disruptions, all visitors shall register immediately upon entering any school building or grounds when school is in session. For purposes of school safety and security, the principal or designee may design a visible means of identification for visitors while on school premises.

In order to register, visitors shall, upon request, furnish the principal or designee with the following information: (Penal Code 627.3)

1. His/her name, address and occupation
2. His/her age, if less than 21
3. His/her purpose for entering school grounds
4. Proof of identity
5. Other information consistent with the provisions of law

Denial of Registration

The principal or designee may refuse to register or revoke a visitor's registration if he/she reasonably concludes that the visitor's presence or acts would disrupt the school, students, or employees; would result in damage to property; or would result in the distribution or use of a controlled substance. (Penal Code 627.4)

The principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a

Appeal Procedure

Any person who is denied registration or whose registration is revoked may appeal to the Superintendent or principal by submitting, within five days after the person's departure from school, a written request for a hearing. This request must state why he/she believes the denial or revocation was improper and must provide an address to which the hearing notice may be sent. Upon receipt of the request for a hearing, the Superintendent or principal shall promptly mail a notice of the hearing to the person requesting it. A hearing before the Superintendent or principal shall be held within seven days after receipt of the request. (Penal Code 627.5)
