

BP 5113.1
STUDENTS
TRUANCY

To improve student attendance, the Superintendent or designee shall implement positive steps to identify the reasons for a student's unexcused absences and to help resolve the problems caused by truancy. Such strategies shall focus on early intervention and may include, but not be limited to, communication with parents/guardians and the use of student study teams.

In addition, the Superintendent or designee shall cooperate with other agencies within the community to meet the needs of students who have serious school attendance or behavior problems and to maintain a continuing inventory of community resources, including alternative programs.

Habitually truant students will be referred to a school attendance review board, a truancy mediation program operated by the county's district attorney or probation officer, and/or juvenile court in accordance with law.

For purposes of California's welfare system (CalWORKS), a student shall be determined to be regularly attending school unless he/she has been referred to the county district attorney or probation office pursuant to Education Code 48263.
