Applications for kindergarten at the **Flory Academy of Sciences and Technology** (F.A.S.T.), 240 Flory Avenue, or **Walnut Canyon School**, 280 Casey Road, will be available from **January 4 through January 29, 2010**. Parents applying to these two schools will be notified of acceptance/non-acceptance on February 12, 2010. Kindergarten registration for those students accepted to these schools will be scheduled from February 22 through February 26. Please call Flory Academy at 378-6303 or Walnut Canyon School at 517-1722 if you need further information regarding registration.

PROOF OF BIRTH (Documentation is required for registration)

Parents must bring proof of birth (birth certificate, baptismal certificate, passport) with them when children are registered. Children entering kindergarten for the first time must have their birth date on or before December 2, 2005.

PROOF OF RESIDENCY

Please bring a document that offers proof of residency. This includes a utility bill, escrow papers or rental agreement, or drivers license.

NO SHOTS! NO SCHOOL! (Documentation is required for registration)

The Moorpark Unified School District has a strict policy regarding immunizations. Parents must bring an up to date immunization record with them when children are registered (record must have doctor's/clinic's stamp affixed). Make an appointment now with your doctor or County Health Department's Immunization Clinic if your child still needs additional immunizations. The required immunizations are as follows:

- 1) Poliomyelitis (TOPV) "Polio" - 4 doses, but 3 doses meet the requirement if at least one was given on or after the 4th birthday.
- 2) Diphtheria, Tetanus, Pertussis (Whooping Cough) "DTP"/"DT" - 5 doses, but 4 doses meet the requirement if the last dose was received after the 4th birthday.
- 3) MMR (Measles-Mumps-Rubella) - 2 doses of measles and at least one dose of mumps and rubella; usually both are given as MMR, both must be on or after the first birthday.
- 4) Hepatitis B - 3 doses
- 5) Varicella (Chickenpox) - one dose, or documentation from your health care provider that your child has had the disease.

All immunization requirements need to be completed before the first day of school.

HEALTH CHECKUP

Children must have a health checkup in order to meet the school entry and Child Health and Disability Prevention (CHDP) requirements. Please have this health checkup completed after March 1 and prior to the first day of school. The *Report of Health Examination for School Entry* form is available at the school sites. You may qualify for no or low cost health insurance, such as Healthy Families or MediCAL. Please contact the health office at your school for further information.

DENTAL CHECKUP

New legislation requires that students enrolled in kindergarten (or enrolled in first grade for the first time) submit proof of an oral health assessment performed by a licensed dentist or other licensed/registered dental health professional on or before May 31st of their first year in school. Oral Health Assessment/Waiver request forms are available in each school office. Families may qualify for no or low cost dental insurance, such as Healthy Families or DentiCAL. Parents should contact the health office at their child's school for further information.
